Elissa, Tim,

Attached are the final neonic slides in advance of Thursday's OCSPP IO briefing. We're considering this an informational briefing, therefore only needing to go up one day in advance, but we'd like to have it go up by COB today.

The team, including DDs from the other divisions, have had multiple opportunities to provide input and comment, so this last version was just vetted through PRD (aside from BEAD assisting on addressing a couple of Rick's comments). If you are ok with the slides, I'll ask Matt to send them to Darlene, and also to the rest of the team.

Thanks,  
Dana
